

Telecommunications Information Sheet

Manchester Financial has contracted Horizon Communications Technologies to manage their Building's telecommunications riser infrastructure. Starting from the Minimum Point Of Entry to the end point in the appropriate riser closet, Horizon shall execute and/or supervise all riser and feeder cable installations, cross connects, and testing within the building's riser system. As a Manchester Financial Customer, services will be provided to you at the rate of \$70.00 per hour per technician with a one hour minimum during business hours. In order to facilitate the scheduling of our technicians, Horizon must be notified 48 hours in advance of any work required within the building's riser system.

Horizon also performs a variety of telecommunications services:

- Voice and Data In Suite Cabling
- Phone and Data Systems
- Sound Masking
- Wireless Access Deployment
- Telecommunications Design and Consultation
- Engineering Services
- 24/7 Maintenance and Emergency Service
